

Executive Order 11-4542-a

May 23, 1959

Gilbert Darlington, Esq.
c/o The Union Club
Park Avenue and Sixty-Ninth Street
New York, New York

Dear Mr. Darlington:

I appreciate your good letter of May 12, 1959, and have put down Tuesday, October 20th, as a date to be in New York to join with you informally at dinner.

Of course I cannot predict what may be happening in the world between now and then, but unless prevented by unforeseen developments, I shall be with you with great pleasure. I assume I can speak quite informally and, as you state, "off the record."

Sincerely,

Allen W. Dulles
